Look for signs like consistent eye contact, playful teasing, initiating conversations, and body language cues such as leaning in or mirroring your movements. Respect boundaries and give the relationship time to develop naturally. How important is physical attraction when trying to get the guy? Physical attraction can spark initial interest, but emotional connection, chemistry, and shared values are crucial for a lasting relationship. Should I change my personality to attract the guy I like? It's best to

What are some subtle signs that a guy is interested in dating me? How can I handle rejection gracefully if he isn't interested? Accept his feelings respectfully, give yourself time to heal, and remember that rejection is part of dating. Keep a positive outlook and stay open to new opportunities. Are dating apps effective for 'getting the guy'?
