American ballet's journey began in the early 20th century, heavily influenced by European traditions, particularly Russian, French, and Danish ballet. Pioneers like Michel Fokine and Serge Diaghilev's Ballets Russes introduced avant-garde ideas to the American stage, inspiring local artists to experiment beyond classical confines.

The early 1900s also saw the emergence of modern dance pioneers such as Martha Graham, Doris Humphrey, and Charles Weidman, whose work emphasized emotional expressiveness and natural movement. These innovators challenged the strict formalism of classical ballet, fostering an environment ripe for hybridization and experimentation.

American choreographers started integrating modern dance principles such as improvisation, gravity, and expressive movement into ballet vocabulary, creating a uniquely American approach to modernism.

This period marked the beginning of a conscious effort to forge a distinctly American voice in ballet, emphasizing individuality, innovation, and cultural relevance.

Key Figures in Making Ballet American Modernism

Understanding American Modernism in Ballet: A Historical Context

The Roots of American Ballet: From European Influence to Native Innovation

American ballet's journey begins with European traditions, primarily Russian, French, and Danish influences, imported through immigrant dancers, choreographers, and companies in the late 19th and early 20th centuries.
